STUDENT SERVE TEAM APPLICATION

One of Salt+Light's priorities is "EQUIPPING CHILDREN, TEENS, AND THEIR GROWN-UPS." Another priority is "EMPOWERING EACH OTHER'S GIFTS."

So on one hand, we believe that everyone is gifted as a vital & needed member of God's body. On the other hand, we know that Jesus highly valued inviting kids to participate in God's kingdom.

This means we want to equip you to start serving and discipling others, from as early an age as we can. Salt+Light aims to empower every child, woman, & man to thrive in your gifting, creativity, & passion, for God's glory, the good of our church family, & the mission God sends us on.

Anyone entering fourth grade or older is welcome to apply for one of Salt+Light's Sunday Serve teams. On this page you'll share some of how you want to serve and why. Then you'll meet with someone who leads that to ask and answer some questions. If you join the team, you'll serve in a vital role alongside the grown-ups and other kids and students on that team.

If you have questions, email hi@saltandlightfw.com. When this application is done, return it to anyone on Salt+Light's Servant Leader Team.

1. Name: _____

2. Phone: _____

3. What email address should we use to communicate with you about your application, Sunday serving days, etc. (whether yours or a parent's)? _____
